POWERBANK POWER STATION

The Body's Natural Energy Source

220 gr

It is a comprehensive source of vitality where hive miracles—such as raw floral honey, perga (bee bread), and royal jelly—combine with botanical powers. With its high antioxidant capacity and rich nutritional content, it replenishes your energy reserves while boosting your metabolism and helping to maintain your overall physical vigor.

Maca Root - Bee Bread

L-Arginine - Royal Jelly

Pollen

Powerbank Energy Paste, which blends apitherapy (bee products) and phytotherapy (herbal expertise) according to scientific standards, is a unique source of natural energy. With its pure formula—free from harmful additives—it is your most reliable partner for the high performance and sustained energy support you need throughout the day.

It is recommended that individuals aged 11 and older consume 1–2 dessert spoons, preferably on an empty stomach in the morning.

It was produced through an R&D project
carried out at Ankara University
Technopolis.

IMMUN FORCE

Boost Your Immunity, Maintain Your Strength

120 gr

IMMUN FORCE is a high-performance dietary supplement that goes beyond traditional herbal teas, blending the disciplines of apitherapy and phytotherapy. Formulated with ideal ratios determined through R&D, this blend provides the body with essential Vitamin C and antioxidants from the most natural sources.

Add one scoop to hot water and stir once a day; naturally boost both your own and your child's immunity in seconds.

**Sea Buckthorn -Echinacea
Black Elderberry - Blossom Honey
Pollen**

It not only supports your immunity but also protects your cells against oxidative stress thanks to its high antioxidant content. While the Propolis and Pollen within it protect your body just as bees protect their hive, ingredients like Black Elderberry, Echinacea, and Rosehip deliver nature's healing energy to your cells.

It was produced through an R&D project
carried out at Ankara University
Technopolis.

JUNIPER TAR & KERATIN INFUSED SHAMPOO

*The Pure Power of Tar,
The Radiant Effect of Keratin*

400 ml

Soothing for the scalp,
strengthening for the hair: juniper
tar & keratin combined.

Juniper Tar & Keratin Shampoo is
specially formulated to support
hair health and maintain scalp
balance. It offers an effective
solution against dandruff through
the natural purifying properties of
tar extract, while strengthening
hair strands with keratin and
vitamin complexes.

What Makes This Shampoo Special?

- **A Root-Cause Solution for Dandruff:**
The natural purifying power of juniper
tar gently cleanses the scalp and
targets the recurrence of dandruff. It
restores balance, offering a lasting
solution rather than a temporary fix like
masks.
- **Armor-like Effect on the Hair Strand:**
Keratin and vitamin complexes
strengthen the hair strand from within,
increasing its resistance to breakage.
Hair that feels thicker and is stronger.
